KINDERCUB HUB

Dear Parents/Guardians,

Welcome to Kindergarten at Springfield School District! We are looking forward to having your child as a student in our kindergarten classes. In an effort to provide your child with an opportunity to visit our wonderful school site, meet the staff, and become familiar with the building, we are recommending that all incoming kindergarten students participate in our Kindercub Hub Program being held on Thursday, June 15th. Kindercub Hub will be held at the Springfield Literacy Center, located to the right of ETR Middle School.

This program lasts approximately thirty (30) minutes during which time your child will move from one center of activity (or hub) to another. Parents will have a chance to meet some of our Home and School officers, learn about some of our school activities, and sign up for volunteer opportunities. Your child will participate in a variety of activities such as counting, saying the alphabet, identifying colors, playing with peers, etc. It is our intent to provide the children with a fun and positive experience that will help us to get to know them and ease their transition into kindergarten and the school community. Building tours for the parents may be scheduled at a later date.

In May you will receive communication via email and phone, using our school messaging system, with instructions for making a Kindercub Hub appointment. This communication will only be sent if your child's registration is complete. If you have any questions in regards to Kindercub Hub; please contact Ms. Susan Trella, Springfield Literacy Center Principal, at 610-690-3150.

We look forward to meeting you and your child!

Sincerely,

The Kindergarten Team
Springfield Literacy Center
