KINDERCUB HUB

Dear Parents/Guardians,

Welcome to Kindergarten at Springfield School District! We are looking forward to having your child as a student in our kindergarten classes. Kindercub Hub will be held on Wednesday, June 13th and the morning of Thursday, June 14th at the Springfield High School gymnasium. Parking will be available right outside the gymnasium closest to the high school track.

This program lasts approximately thirty (30) minutes during which time your child will move from one center of activity to another. Parents will have a chance to meet some of our Home and School officers, meet with our guidance counselor and principal, and sign up for volunteer opportunities. Your child will participate in a variety of activities such as counting, saying the alphabet, identifying colors, etc. It is our intent to provide the children with a fun and positive experience that will help us to get to know them and ease their transition into kindergarten and the school community.

In May you will receive communication via email and phone, using our school messaging system, with instructions for making a Kindercub Hub appointment. This communication will only be sent if your child's registration is complete. If you have any questions in regards to Kindercub Hub; please contact Ms. Susan Trella, Springfield Literacy Center Principal, at 610-690-3150.

We look forward to meeting you and your child!

Sincerely,

Ms. Trella
Springfield Literacy Center Principal
