

How to Access Canvas, SSD's Learning Management System

PARENTS

1. **PARENTS:** Go to the [Canvas Login page](https://ssdcougars.instructure.com/login/canvas). (<https://ssdcougars.instructure.com/login/canvas>)
2. Click **Forgot Password ?**. (**DO NOT** Click Parent of a Canvas User.)
3. For Login, enter your **HAC Login ID**.
4. Click **Request Password**. An email will be sent to the email address stored in Home Access Center (HAC). You may need to check your spam/junk folder.
5. Check your email for a message from Instructure / Canvas. Click the link in an email to set a new password.
6. Log into Canvas with your new credentials.

After you have your Canvas Login and Password, click here to return to the [Canvas Login page](#).

STUDENTS

Please make sure you are logged into your Google/Chrome account in the top right-hand corner of the Google/Chrome browser.

[Click here for directions](#) on how to log into Google with your @ssdstudent.org account.

STUDENTS: Go to www.ssdougars.org/canvas and click on STUDENT LOGIN.

USERNAME

Your Canvas username is the same as your Google/Chromebook username:

Firstname.lastname@ssdstudent.org

PASSWORD

Your Canvas password is the same as your Google/Chromebook password.

STUDENTS: 3 Ways to Access Canvas

1. Go to www.ssdougars.org/canvas and click on STUDENT LOGIN.
2. Go to ssdstudent bookmarks on your Chrome bookmarks bar and click on Canvas.
 - ii. Click on the Canvas icon on your SSD Chromebook.

For more information and videos about Canvas and what you should be seeing, please visit <http://www.ssdougars.org/canvas>
