

# Next Year's Seniors - Class of 2018

## Course Request Process for the 2017-2018 School Year

Parents and Students: This packet is not intended to replace the Academic Programming and Scheduling Guide but rather to give you some critical information and tools that you will use in conjunction with the On-Line AP&SG to complete course request.

### **Phase 1 Distribution of Course Request Materials**

During the week of February 13th-16th, grade level meetings will be held to distribute these materials and to review the course request process.

### **Phase 2 Course Request Preparation at Home**

Upon receipt of these materials, students will work at home with parents/guardians to identify elective courses of interest using the Course Request Worksheet (in this packet) for the 2017-2018 School Year. Appointments can be made with counselors to assist. Students will not receive a hard copy of the Academic Programming and Scheduling Guide. It will be accessible on the district website.

Your current LA, SS, SCI, MA and WL teachers are in the process of completing recommendations for Core Requirements and or Elective courses for next year. They have been instructed to communicate these recommendations to students by March 3, 2017.

### **Phase 3 Course Request Entry in the LMC**

Beginning on March 13<sup>th</sup> students will report to the LMC, or another specified location, throughout the course of the day to complete course request entry using the HAC site. Students need to bring all of their course request materials with them. Counselors will assist students in entering their course requests and address any issues or special requests at that time.

At this time, students will see the Core Subject and/or Elective courses for which they have been recommended. Teachers have been informed to share these recommendations with their students. If a student is not in agreement with the recommendation, counselors will facilitate the waiver process.

Students need to have completed each part of the course request worksheet (contained within this packet) in advance so that this process goes smoothly and quickly.

Parents can also view and edit requests on HAC March 6<sup>th</sup> through March 17<sup>th</sup>.

### **Phase 4 Collection of Waiver Forms and Course Request Verification**

Waiver forms need to be returned to the Guidance Office by March 20<sup>th</sup> so all necessary changes can be made. Counselors will review all requests to insure that all graduation requirements have been entered and make any necessary changes.

Parents/guardians and students should review all requests on-line and make or communicate any necessary changes to counselors no later than March 17<sup>th</sup>. Course requests will be finalized by March 20<sup>th</sup>.

## New Courses and Course Changes for the 2017-2018 School Year

### General Course Offerings

- World Language
  - Latin II
- HE/PE
  - Health and Physical Education will no longer be required 12<sup>th</sup> grade year.
  - New elective offerings will be available – more info to come
    - Course #'s and Names TBA

### Expanded Technical School Offerings

- Delaware County Technical Schools
  - 960ET Exercise Therapy and Sports Science

### Expanded College Credit Offerings – students receive college credit and SHS credit

- Delaware County Community College
  - *Early College in the High School Courses*
    - Courses taught by SHS teachers on SHS campus but DCCC credit
      - 290 World Affairs
      - 390 Humans and The Environment
      - 690 Student Success
      - 990 Fundamentals of Game Design

<b>GRADUATION CREDIT REQUIREMENTS BY GRADE LEVEL</b>				
<b>Department</b>	<b>12</b>	<b>11</b>	<b>10</b>	<b>9</b>
Language Arts	4			
Social Studies	3			
Science	3			
Math ( <i>4 credits recommended</i> )	3			
World Language	2			
HE/PE	1.5			
Finance ( <i>640, 958A, 963, 964, 981</i> )	0.5			
<b>Core Requirements</b>	<b>17</b>			
Elective Credits  <i>No more than 3.5 elective credits in any one department can be applied towards fulfilling the Humanities, Technologies, &amp; Arts requirement. Once the 8 credits are earned, students may then attempt additional credits in any area.</i>	8			
<b>Minimum Graduation Credits Required</b>	<b>25</b>			
Miscellaneous Courses <i>(ABOVE MINIMUM GRADUATION REQUIREMENTS)</i>	4			
<b>Possible Earned Credits</b>	<b>29</b>			

<b>Elective Credit Departments</b>
Language Arts
Social Studies
Science
Mathematics
World Language
Art
Administrative Technology
Family and Consumer Science
Industrial Technologies
Music
Communications/Video Production
DCTS – Delaware County Technical Schools
DCCC – Delaware County Community College

Students can transfer information from their HAC page to this sheet or print their transcript information and bring it to Course Request Entry sessions.
