B. ITEMS FOR BOARD ACTION

1. Health and Safety Plan – Lisanne

RECOMMENDATION: that the Board approve the updated Health and Safety Plan, effective immediately, to add the following language as presented:
The District recognizes that medically fragile and other special needs students have diverse and sometimes contrary needs when it comes to masking. For that reason, each child's IEP and 504 team must make an individualized determination as to what reasonable accommodations are appropriate for each individual child in accordance with the requirements of IDEA, ADA and Section 504.

Before and after each meeting, the Board meets in Nonpublic Executive Study Session to discuss personnel, legal and labor relations matters.
