Purpose

The Board of School Directors (“Board”) of Springfield School District (“District”) recognizes that many K-12 school districts, colleges and universities, technical schools, and businesses establish and maintain websites on the World Wide Web. The purpose of the District website shall be to serve as a public information vehicle subject to the guidelines established through this policy and other approved District policies. The website is the property of the District. The District reserves the right to edit or remove any materials and established links from the District website at its sole discretion.

The District website includes all of the web pages, videos, photos and files developed by District staff members and students and accessed at www.ssdcougars.org. Website links to the District website include all non-District web pages that may be electronically accessed directly from any part of the District website by pointing and clicking on the URL as listed on the District website.

Delegation of Responsibility

The Superintendent will develop and publish administrative guidelines which are consistent with this policy.

DISCLAIMERS:

This policy is superseded by all current federal and state laws and mandates.
