### **Authority**

Class size shall be determined by the Board of School Directors (“Board”) of Springfield School District (“District”) after consultation with the Superintendent and building principals. Class size ranges are not intended to restrict the administration if compelling circumstances occur, i.e. space limitations, late enrollees, lower enrollments, or like situations. The District will follow all state laws including restraints imposed by Act 1 of 2006.

### **Delegation of Responsibility**

The Superintendent shall prepare recommended guidelines for class size which shall consider subject matter, type of instruction, ability of pupils, use of aides, use of other support personnel, space and facility limitation, application of technology, grade level and faculty suggestions.
