Section	100 Programs
Title	Title I - Comparability of Services
Number	150
Status	Active
Adopted	March 8, 2018

Purpose

The equivalent distribution of District resources is one means the District shall use to ensure all students receive a quality education. This policy demonstrates the District’s commitment to ensure that no discrimination occurs in the distribution of resources funded by state and local sources, regardless of the receipt of federal funds.

Authority

The Board directs that each District school receiving Title I funds must use state and local funds to provide services that, taken as a whole, are at least comparable to services in those schools in the District that do not receive Title I funds.[\[1\]](#)

If all schools in the District receive Title I funds, the Board directs that state and local funds shall be used to provide services that, taken as a whole, are substantially comparable in each school.[\[1\]](#)

The Board acknowledges that comparability may be measured on a grade-span by grade-span basis or a school-by-school basis.

Definition

For purposes of this policy, **grade span** is defined as a similar two-grade span difference or less. For example, a grade span of K-2 to K-4, not a grade span of K-2 to K-5.

Delegation of Responsibility

If the District has more than one (1) building per grade span, the Superintendent or designee shall complete a Detailed School Data Sheet.

Regardless of buildings per grade span, the Superintendent or designee shall annually complete a Comparability Assurance Form to provide written assurance of equivalence among schools, including the provision of curriculum materials; instructional supplies; and teachers, administrators and other staff.

This policy is superseded by all current federal and state laws and mandates.
