### **Purpose**

The Board of School Directors (“Board”) of Springfield School District (“District”) believes that homework assignments should complement in-school instruction. The assignments should develop student responsibility, good study habits, and organizational skills. Homework assignments should:

1. Broaden areas of interest through enrichment.
2. Provide an opportunity for parents/guardians to know that their child is studying.
3. Encourage parent/guardian and child interaction.
4. Be consistent with District learning strategies.
5. Be relevant to current learning objectives.

### **Delegation of Responsibility**

The Superintendent will develop and publish administrative guidelines which are consistent with this policy.

### **DISCLAIMERS:**
