SSD Internet Safety Policy

CIPA = Children's Internet Compliance Act

School must comply with CIPA requirements in order to be eligible for *Schools and Libraries (E-rate) Program* discounts on internet access, services, and equipment for internet connections and maintenance of those connections.

Requirements for CIPA Compliance:

1. Internet Safety Policy
2. Technology Protection Measure
3. Public Notice or Meeting

1. Internet Safety Policy

The policy must address:

- access to inappropriate content on the internet,
- safety of minors when using email and other forms of direct electronic communications,
- unauthorized access including "hacking" and other unlawful activities by minors online,
- unauthorized disclosure, use, and dissemination of personal information regarding minors.
- measures designed to restrict minors' access to materials harmful to minors.

The policy must also include monitoring the online activities of minors.

2. Technology Protection Measure

A technology protection measure is a specific technology that blocks or filters internet access.

Schools must enforce the operation of the technology protection measure during the use of its computers with Internet access.

3. Public Notice or Meeting
