

EDOPTIONS ACADEMY

A Virtual Learning Partner for K-5

Online courses with real-world support

Did you know your student's school partners with EdOptions Academy and Calvert Learning to offer high-quality online instruction paired with state-certified elementary educators that is specifically created for K-5 students? If your student is struggling in the traditional classroom, learns at a different pace than their peers, or if your family schedule requires more flexibility, EdOptions Academy online courses may be the right fit.

What you need to know

EdOptions Academy is a leader in high-quality virtual learning. Our courses:

- Feature carefully curated, research-based curriculum designed to engage elementary learners and built to your state standards.
- Include problem-based activities and projects that challenge students to apply what they learn in deeper, more meaningful ways.
- Keep students engaged with interactive multimedia resources including skills-building games, videos, quizzes, and virtual labs.
- Are designed for elementary students whose families are enthusiastic about facilitating a highly personalized academic journey.

Partnering with K-5 Schools, Students, and Families

What you can expect

EdOptions Academy online elementary courses powered by Calvert Learning are designed to give students a truly personalized learning experience. Students and their families enrolled in one or more of our K-5 courses will:

- Be able to access their course(s) 24/7, from any computer connected to the internet. Many courses are optimized for mobile devices, including tablets.
- Work closely with their state-certified EdOptions Academy online teacher, with regular communication via video conferencing, phone, and email. Families will play a hands-on role in facilitating collaborative instruction.
- Be exposed to engaging activities designed to meet the needs of young learners, including videos, audio content, and problem-based interactive lessons.
- Have access to pacing and progress monitoring tools to help stay on track.
- Continue to be a part of your local school community with access to school-provided supports.
