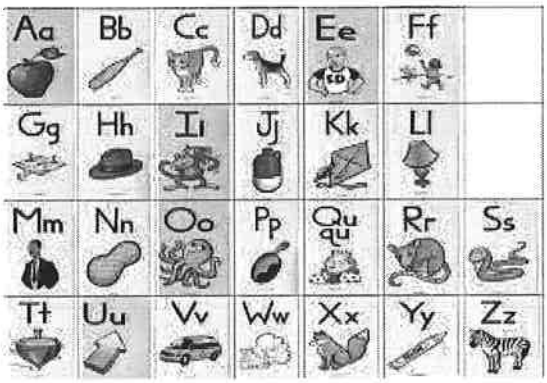
## Kindergarten Activities

**Sight Words:** Review and spell words 1-50. If your child can read and spell these words, please practice writing them in a sentence.

**Writing:** In your journal once or twice a week, write 1-2 sentences about your day. Don't forget to refer to your 5 star writing rubric!

**Reading:** Read for at least 30 minutes a day. This can include online reading such as i-Ready and Raz-kids. Contact your classroom teacher if you need assistance.

**Wilson:** Be the Wilson drill leader in your house! Each day practice your letter sounds. You may use the chart below as a reference. After, practice building CVC words. Examples: cat, hug, fin, etc.



**Math:**

Number Identification:

- Go over the month, day, and year each day.
- Practice writing numbers 1-10 daily. For an extra challenge begin writing number 11-20.

Addition and Subtraction

- Use house hold items such as your favorite snack (cereal, Goldfish, etc.) or small toys (Legos, crayons, etc.) to practice addition and subtraction. Write your equations on loose leaf as you create your number sentence.
- Illustrate your own addition and subtraction stories on loose leaf.

SCHOLASTIC

# Dear Families and Caregivers,

**We know that missing school isn't easy for your kids—or for you. But we also know that there are simple ways to turn unexpected time at home into exciting opportunities for your students to learn, think, and grow.**

That is why we've created **Scholastic's Learn at Home** website. This free resource provides your children with 20* days of exciting articles and stories, videos, and fun learning challenges. Children can complete them anytime, in any order. They can work on their own or together with you and your family.

**www.scholastic.com/learnathome**

Our active learning journeys are available on any device and will provide your child with up to three hours' worth of exciting learning experiences per day. They can go on virtual field trips, meet best-selling authors, or dig deep into a topic they love.

We hope that you and your children stay safe and healthy, and wish you the best of luck during this stressful time.

With best wishes from all of us at Scholastic,

Lauren Tarshis
Sr. VP, Editor in Chief & Publisher
**Scholastic Classroom Magazines**

If you have any questions or suggestions, please reach out to me at ltarshis@scholastic.com.

*The site will be updated weekly until all 20 days of content is available.
