

Powerwash

Your SSD Chromebook

You will need to powerwash the device in a area of the school that has access to the ssdguest network: main office, LMC, lobby, elementary computer labs, etc.

1. Sign out of your Chromebook.
2. Press and hold Ctrl + Alt + Shift + R.
3. You will be prompted with a “Reset this Chromebook” screen, click the blue “Powerwash” button. The device will reboot.
4. On the “Welcome to your Chromebook” screen, click the blue “Get started” button.
5. On the “Connect to network” screen, click the wireless network “ssdguest”.
6. On the “Google terms of service” screen, click the blue “Accept and continue” button.
7. If you are prompted to sign-in under the “Enterprise enrollment” screen, please sign-in with your @ssdstudent.org username and password. If you are not prompted to sign-in, please continue to the next step.
8. On the “Enterprise enrollment complete” screen, click the blue “Done” button.
9. You should now be on the normal “Sign-in to your Chromebook” screen.
