

An aerial photograph of a school campus. The central focus is a large, multi-story school building with a complex roofline. To the right of the main building is a large, oval-shaped sports field, likely a football or soccer field. To the left of the main building is another smaller sports field, possibly a baseball or softball field. The campus is surrounded by a dense residential neighborhood with many houses and trees. The overall scene is captured from a high angle, providing a clear view of the school's layout and its integration with the surrounding community.
